E. coli and Total Coliforms	SM 9223 B 18 Colilert	09/17/2027

Continued full certification is dependent upon acceptable annual proficiency test samples, continued use of current standard operating procedures for certified methods and your certification status with the state of North Dakota. If there are any major changes in the laboratory's personnel or equipment or location or any other factor that may impair analytical capability, you must notify us within 30 days.

We reserve the right to perform our own on-site visit. If you have questions, contact either Jeri Wieczorek (605-773-3368) or me.

Sincerely,

Barbara Friedeman
